

Bavarian UK-scholarship for students under the WeltWeit exchange program from UK partner universities

The University of Augsburg awards scholarships to UK students from our UK partner universities. The scholarships are funded by the Bavarian State.

Scope of scholarship

In the **year 2024**, the scholarship amounts to 1.900 € in total. This amount consists of four funded months with 400,-- € each and a one-time travel allowance to the amount of 300,-- €.

The total amount will be paid out after the arrival in Augsburg on a German bank account.

Requirements and applicant's profile

The scholarship is exclusively aimed at applicants for the exchange program WeltWeit, coming from our UK partner universities.

Scholarship holders must study full-time as WeltWeit incoming students at the University of Augsburg.

Applicants must not be older than 27 years. It is impossible to receive a further stipend for the same purpose exceeding the amount of 450,-- monthly.

Application documents

A separate application for the scholarship is **not** required. The scholarship will be awarded based on the application documents handed in (in time!) for the exchange program. Interested applicants shall refer to the scholarship and the applicant's profile in their motivational essay.

In addition, it is necessary to hand in or upload:

- Proof of need including the possibly confirmation about an additional scholarship (template to be downloaded during application process within Mobility Online)
