

**CALL FOR PAPERS**

**Special Issue “12<sup>th</sup> Conference on Parametric Optimization and Related Topics”**

The editors plan to publish a special issue dedicated to the 12<sup>th</sup> Conference on “Parametric Optimization and Related Topics” to be held in Augsburg, Germany, September 12 - 16, 2022.

This call-for-papers addresses the growing research interest in parametric optimization from the theoretical as well as from the application point of view. The objective of this special issue of "Optimization" is to present advances in different areas of parametric optimization and related topics among them recent results in nonlinear analysis, optimal control and their applications.

The journal "Optimization" is abstracted and indexed in: Mathematical Reviews/MathSciNet; Science Citation Index Expanded; Zentralblatt MATH/Mathematics Abstracts and Zetoc. Astrophysics Data System; SciBase; British Library Inside; Cambridge Scientific Abstracts; EBSCO Databases; ISI Current Contents - Physical, Chemical and Earth Sciences; New Journal.

Submitted papers will be considered as potential full-paper publications in this special issue subject to peer reviews, and should not have been previously published nor be currently under consideration for publication elsewhere. All submissions will be refereed with the same standards as leading international journals. The main criteria for acceptance are the quality and originality of the contribution.

**Guest Editors**

Mirjam Dür

Prospective authors should follow the manuscript format described below at the journal site <https://www.tandfonline.com/action/authorSubmission?show=instructions&journalCode=gopt20>

Authors have to submit their papers through the Manuscript Central web site <http://mc.manuscriptcentral.com/gopt>

During the submission procedure authors have to answer the question

**'Is the manuscript a candidate for a special issue?'** Here one has to tick **'yes'** and then in the box **'If yes, what is the title of the special issue:'** one has to select **'paraoptxii'**.

Then corresponding manuscripts can be quickly identified and assigned to the guest editors (Associate Editors) who are processing these manuscripts.

**Important Dates**

*Submission deadline for papers: January 31, 2023*
