Events & Excursions Winter Semester 2026/27

Oct 17, 2026

City Tour Augsburg

Founded 15 BC by the Roman Emperor Augustus, Augsburg is one of the oldest cities in Germany. Our city tour will cover some of the most well-known sights, including the Golden Hall, and the water management system, a UNESCO World Heritage site since 2019. Afterwards, we will have a Bavarian lunch together.

Oct 31, 2026

Excursion to the Royal Castles

A research stay in Bavaria just would not be complete without a day trip deep into the rural region of the Allgäu. We will hike uphill and visit the fairytale-like Neuschwanstein Castle, which was intended to be the hideaway of King Ludwig II and is nowadays one of the most visited sights in Germany, as well as Hohenschwangau Castle.

Nov 4, 2026

Visit Augsburg Planetarium

At the Augsburg Planetarium, we will set off on an exciting journey through 14 billion years of cosmic history, from the Big Bang to the emergence of mankind. We will explore how galaxies, stars, and planets formed, and how life eventually came into being on Earth. Afterwards, you can join us for drinks and snacks in the city.

Dec 2, 2025

X-Mas @ Riegele Brewery

Riegele is one of the oldest privately owned breweries in Bavaria. During our tour, we will get insights into the traditional art of brewing. Afterwards we will enjoy a "Brotzeit", a traditional Bavarian meal of bread and sausages, at the Riegele Restaurant (veggie options available). There will be an optional "Wichteln" activity.

Thursday, 7 p.m.

International Stammtisch Get-Together

The Welcome Service hosts these relaxed evenings regularly throughout the semester, where you can get to know each other and connect with researchers of various disciplines from all over the world while enjoying some food and drinks.
