Lake Constance

Cultural Program & Lake Life

Saturday, September 28, 2019

Lindau at Lake Constance offers everything for a perfect late summer day: a picturesque old town, a lake bordering three countries and excellent food from the region. Our visit will include a city tour, lunch by the lake and a boat trip allowing us to see Germany, Austria and Switzerland. Afterwards, you can join us on a guided tour through the exhibition of the famous Austrian artist Friedensreich Hundertwasser with a special focus on water in his works, tying in with the unique location of Lindau and its status as the biggest drinking water reservoir in Germany.

Royal Castles

Castle Tours & Alpine Scenery

Saturday, November 9, 2019

A research stay in Augsburg just would not be complete without a trip deep into the rural region of Allgäu to tour the legendary, mystic Neuschwanstein Castle, one of Germany's most famous attractions. It was built in the authentic style of the old German knights' castles beginning in 1869 for King Ludwig II of Bavaria as a retreat and in honor of the composer Richard Wagner. We will also visit Hohenschwangau Castle, the childhood residence of King Ludwig II. Furthermore, you will have the chance to enjoy Bavarian food and explore the surrounding area.

Rothenburg ob der Tauber

City Tour & Christmas Spirit

Saturday, November 30, 2019

This excursion will officially herald the pre-Christmas season and get you into festive mood. We will start our day off with a guided tour of the medieval city center. Rothenburg o.d.T. is famous for its colorful timbered houses and its accessible town fortification built in the 14th century. After getting warmed up over lunch, we will then enjoy the famous Christmas market with its handicrafts, food specialties and mulled wine. You will also have the possibility to visit the Christmas museum, giving you deeper insights into Christmas traditions and their origins.
