**Green light
for correct
separation**

Your four strong waste separation wheelie bins:

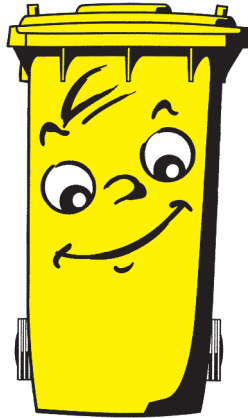

**Stop!
Wrong
separation**

Sales packaging made of:

- tin plate/aluminium (e.g. food tins and drinks cans, aluminium lids and foils)
- plastic/foam (e.g. plastic cups and bottles, polystyrene and plastic dishes and trays)
- composite materials (e.g. milk and juice cartons, vacuum packaging)

Please place all sales packaging scraped clean, open and loose in the yellow bin!

For example:

- clean paper and cardboard packaging (including those with the green dot recycling symbol)
- glass bottles
- pots and pans
- electrical equipment/appliances and metal parts
- bicycle parts
- window profiles
- children's toys
- plastic bowls and baskets
- dirty dust sheets
- batteries ...

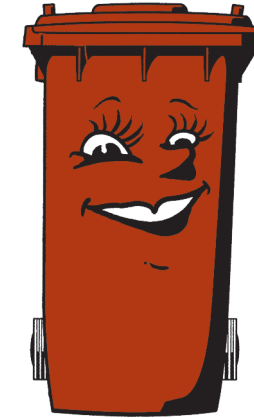

Loose, compostable wastes:

- garden waste, for example
- potting compost
 - grass cuttings, straw
 - green and rotting fruit
 - plant remains and weeds
 - chopped up shrub cuttings
 - cut flowers

Kitchen waste, e.g.

- raw fruit and vegetable waste
- fruit peel, nut and egg shells
- coffee and tea filters and their contents
- paper kitchen towels for wrapping up damp waste

For example:

- plastic bags, packaging netting
- fish, meat and sausage meat leftovers
- bones
- cooked food
- nappies
- vacuum cleaner bags
- pet sand, ashes, sweepings
- paper and cardboard, such as newspapers, books, cardboard boxes
- paints, varnishes
- solvents
- medicines
- batteries
- cleaning products

**Your contact for delivery, collection, replacement, repair and emptying of the yellow bin is:
Remondis Süd GmbH, Peter-und-Paul-Straße 1, 86551 Aichach, Phone 0800 1 22 32 55.**

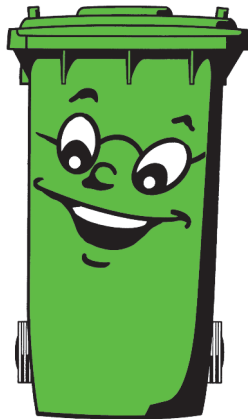

Paper and cardboard

- with and without the green dot recycling symbol
- in the largest possible pieces
- as clean as possible
- please fold cardboard boxes

for example

- newspapers, magazines
- brochures, catalogues, school exercise books
- wrapping paper, cardboard packs, cartons, cardboard boxes...
- books

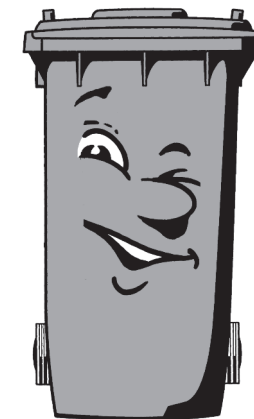

For example:

- carbon paper, blue or black
- tissue paper such as paper tissues and nappies
- soiled or wet paper
- wallpaper
- empty cement sacks
- coated paper, e.g. mixed packaging such as juice or milk cartons
- parchment, tracing and greaseproof paper
- files...

Residual waste, which cannot be recycled, for example:

- food waste (cooked) and bones
- hygiene product waste, such as panty liners, nappies
- ceramics, porcelain, mirrors, light bulbs
- cold ashes
- soiled, wet paper
- wallpaper, carpeting remains or off-cuts
- children's toys
- audio and video cassettes
- old medicines

For example:

- energy-saving lamps
- fluorescent tubes
- building rubble
- old electrical equipment/appliances

and everything, which belongs

- in the yellow bin
- in the green bin
- in the brown bin
- which must be handed over as hazardous waste
- which is to be taken to the recycling depot
- in the waste glass/bottle banks
- in the old clothes collection banks
