

Brewery Tour at Riegele

February 21, 2020

The Riegele brewery is one of the main local breweries in Augsburg. Riegele was established in the year 1386 and has a long history of brewing. Right now, the 28th generation of the Riegele family leads the brewery. Its premises, such as the malting and fermentation areas as well as the lagering cellar, can be viewed during a guided tour.

PROGRAM DETAILS

We will be meeting at the entrance of the Riegele brewery at **6:15 pm**. During a one-hour tour of the premises we will get a deep insight into the traditional art of brewing. Being perfectly informed about beer, we will then enjoy the rest of the evening at the Riegele restaurant where you can try typical Bavarian food and, of course, beer.
