Publishers check the affiliation with the University of Augsburg / UKA via email address. Please therefore use your institutional email address during the publication process, if possible.

1. your article is accepted for the journal
2. you choose University of Augsburg / UKA Augsburg in the publisher system and select Open Access
3. we get notified by the publisher and will ask you for:
 - a. our online application form (hybrid)
 - b. our online application form and the cost centre form (fully gold)
4. we approve the article in the publisher system as soon as we have received the forms
5. the bill for any „fully gold“ articles comes to us and the funds are transferred across from your cost centre
