

How to get from Haus St. Ulrich to the monastery church Maria Stern (also Sternkirche or St. Anna und Elisabeth), Sterngasse 5, Augsburg

20 minutes's walk

The Franciscan convent of Maria Stern is situated behind Augsburg Town Hall. So you can walk from Ulrichsplatz in front of St Ulrich's (Protestant and Catholic) along Maximilianstraße to the Town Hall, then go down the(many) steps to the right of the Town Hall leading to Elias-Holl-Platz. Once you've crossed the square, you'll find yourself in front of the convent.

Alternatively and if you wish to avoid the stairs or steep descents, take the Milchberg, which leads down from St. Ulrich into the old town, then turn left into Bäcker-gasse and continue through Vorderer Lech and Hunoldsgraben to Elias-Holl-Platz.
