My stay in Augsburg was an extraordinary experience. This city, and everything I lived in it, will remain a part of my most valued memories. All my discoveries and adventures here would not have been possible without the people that were so kind to open their doors to me and welcomed me in their lives. And even though everything was so ephemeral and flew past me without notice, it meant the world to me.

I never regretted choosing Augsburg for my exchange stay. Enthusiastic professors, dynamic environment with active students from all around the world. It’s a perfect place for you to start something new as it has started my love for German. Without doubt, I’d say that Augsburg is my second home.
